

# Downwind Bagshot, GU19 5HU

Downwind can be found on Duke's Covert , off the A322.

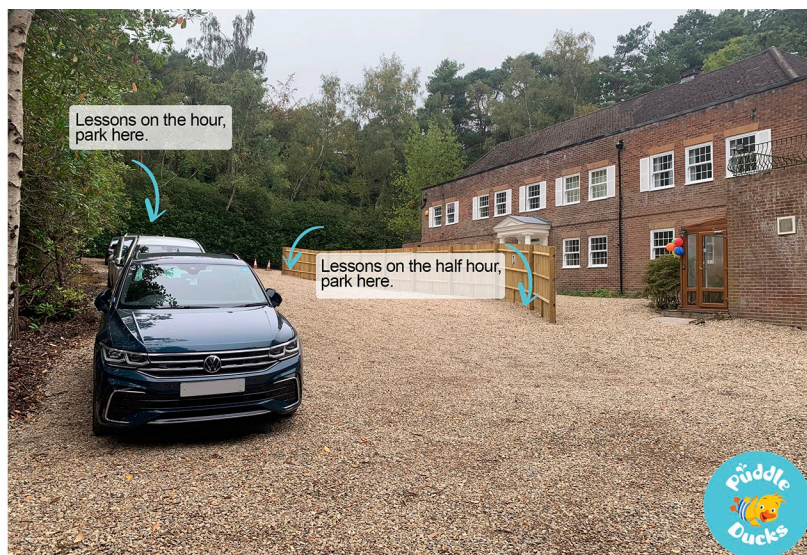

As you enter Duke's covert, follow the road around to your left. Half way up the hill, behind a large hedge on the right hand side is Downwind.

Drive through the entrance to the property and it will open up to a large area on your right hand side where you can park.

Please do not park beyond the fence.

If your lesson is running on the **HOUR**, park alongside the trees (on your right as you enter). If your lesson is on the **HALF HOUR** park alongside the fence (on your left as you drive into the property)

As you enter the pool hall, walk down the stairs and at the end of the pool you can find changing rooms and a bathroom.

There are 2 cubicles on the left hand side, one large communal female changing room (facing the pool) and 2 smaller changing rooms which can be used for males or females.

We do require all swimmers to arrive and depart within 15 minutes of their classes starting and finishing to enable the next classes to arrive and lessons run on time.

\*Unfortunately spectators are not allowed at this pool\*
