Changing rooms

Please see below a rota of classes running at Barnt Green and the changing area for each class and the plan of the pool hall highlighting each entrance and area of changing.

If you are the last person in the class to arrive changing on Side B then you will be changing in front of the doors you have entered though once they have been closed.

The Poolside Assistant will be available to answer any questions and direct you to where you are to change.

If you are bringing siblings to back-to-back lessons then you can swap over and one parent can stay to change, we may ask you to move your belongings from one change side to the other in between classes to ensure you are always changing in the correct changing area, the Poolside Assistant will let you know where to change and when to move your belongings. We ask that if you are arriving at the pool for the first time then you notify the Poolside Assistant that you will be attending back-to-back lessons.

Please remember there will be no eating or drinking allowed in the pool hall or changing rooms and all Nappies must be taken home with you.

There is only space for 1 family in the shower room spaces for customers to change in Side A are indicated on the plan below with Orange circles ●

Note: - Please do not allow your children to stand/sit in the shower tray when it is not being used
